# KNI MISSION STATEMENT

KNI는 뉴욕과 뉴저지에 있는 한인 의사들을 위한 귀중한 자원으로서의 역할을 하기 위해 설립된 비영리 단체입니다. KNI는 다양한 배경과 의학 분야에서 활동하는 회원들 간의 의사소통, 협력, 멘토링을 강화하는 강력한 네트워크를 구축합니다. 또한 KNI는 정기적인 모임, 강연, 그리고 커뮤니티 서비스 활동을 통해 지역 커뮤니티, 특히 한인 커뮤니티에 건강 교육과 상담을 제공합니다. 게다가 KNI는 미국에서 의학을 수행하고자 하는 한국의 국제 의학 졸업생들을 지원하고, 적절한 멘토와 자료를 찾아주는데 도움을 줍니다. KNI는 또한 한국의 의료 커뮤니티와의 문화 교류와 협력을 촉진하고, 지식과 경험을 공유합니다. KNI는 한인 의사들과 그 넓은 커뮤니티를 위한 귀중한 자원으로서의 역할을 계속 수행하기 위해 노력할 것입니다.

KNI is a nonprofit organization that was established to serve as a valuable resource for Korean-American physicians practicing in New York and New Jersey. KNI fosters a strong network of communication, collaboration, and mentorship among its members, who come from diverse backgrounds and medical specialties. KNI also provides health education and counseling to the local community, especially the Korean-American community, through regular meetings, lectures, and community service initiatives. Furthermore, KNI supports Korean international medical graduates who aspire to practice medicine in the United States, by helping them find appropriate mentors and resources. KNI also promotes cultural exchange and cooperation with the medical community in Korea, by sharing knowledge and experience. KNI is committed to continuing its efforts to serve as a valuable resource for Korean-American physicians and the broader community.

# PRESIDENT'S MESSAGE

**DR. ANDREW NAM, MD MBA**

**ANESTHESIOLOGY & PAIN MEDICINE**

**ASSISTANT PROFESSOR AT HACKENSACK MERIDIAN  
SCHOOL OF MEDICINE**

KNI 회장을 맡은 지 벌써 두 번째 연말 파티를 맞이하게 되었네요. 수많은 훌륭한 의사 선생님들이 함께하시는 KNI 모임에 처음 참여했던 기억이 떠오릅니다. 저는 몬티피어 아인슈타인 병원에서 마취과 레지던트 3년 차였던 그때, KNI로부터 큰 도움을 받고 KNI 선생님들께 많이 의지했었습니다. 저 역시 KNI로부터 받았던 도움을 이제는 다른 선생님들께 돌려드리고 싶습니다.

2024년에는 박병준 부회장님의 도움으로 KNI 웹사이트를 런칭하며, 우리 단체의 성장을 위한 중요한 발판을 마련할 수 있었습니다. 현재 KNI 회원 수는 320명을 넘어섰으며, 제가 처음 회장을 맡았을 당시의 약 170명에서 거의 두 배로 증가했습니다. 또한, KNI의 다양한 소규모 동호회 활동도 활발하게 이루어지고 있습니다. 등산동호회가 첫 활동을 시작했고, 메치를 준비하는 선생님들을 위한 실질적인 지원을 위해 최문영 선생님이 앞장서 주셨습니다.

지금 한국의 의료 환경이 점점 더 어려워지고 있는 상황에서, 우리 KNI의 역할이 더욱 중요해질 것입니다. 앞으로도 미국 동북부의 의사들 간의 소통을 돕고, 의사와 의료 관련 비즈니스를 잇는 중요한 플랫폼으로 성장할 수 있도록 최선을 다하겠습니다.

감사합니다.

Hello, I'm Dr. Andrew Nam, President of KNI and a Pain Medicine and Anesthesiology specialist. As I celebrate my second end-of-year party as KNI President, I reflect on the support KNI provided me during my residency at Montefiore Einstein, which now inspires my commitment to our members. This year, with the help of Vice President Dr. Byung Jun Park, we launched a new KNI website, and membership has grown to over 320—almost double since I began. KNI now offers hiking clubs and residency preparation support led by Dr. Moon Young Choi. Amid healthcare challenges in Korea, KNI's role as a vital platform for Northeast physicians remains strong. Thank you.

## Hudson MD Group: A Multispecialty Medical Practice

Hudson MD Group is a large multispecialty medical practice formed by a group of independent physicians in New Jersey in 2019. Our doctors deliver exceptional care to patients and meet the evolving demands of the increasingly complex healthcare industry through our practice's considerable resources and capabilities.

We are owned by our physician members and Robert Wood Johnson Barnabas Health. This affiliation with RWJ Barnabas Health provides our doctors with the financial support and strategic advantage of belonging to one of the largest healthcare systems in the state.

Hudson MD Group is comprised of experienced, renowned, and respected physicians with an average of 25+ years in their respective fields. Our doctors include primary care physicians, as well as specialists in cardiology, interventional cardiology, OBGYN, neurology, urology, and more. Our practitioners speak a range of languages to serve their ever-growing population including: English, Russian, Korean, Spanish, and Yiddish.

Our unique operating structure allows our physician members to retain autonomy and focus on what they do best: practicing medicine and providing exceptional patient care. The group's managing company, CityHealth Partners, provides the operational support necessary to ease the administrative burden, provide access to state-of-the-art technology, and achieve the scale and efficiency needed to have a thriving medical practice.

## New Jersey's Premier Multispecialty Medical Care

Hudson MD Group plans to significantly expand its membership in the next few years by recruiting independent physicians who are seeking the significant benefits from membership in Hudson MD Group while remaining independent. Are you a physician? Find out more about how to join our group.
